"The Store Where Quality Counts"

Frocks for Junior-Misses

When one is not a little girl nor yet grown-up such frocks as these are interesting. Aside from being very modish and summery, young girls will like to wear them because of the attractive patterns of their fabrics. Handsome plaids, neat checks and stripes, and pleasing plain shades make the assortment unusually attractive. Prices on all are exceedingly moderate.

\$3.50 to \$6.50

In every little girl's wardrobe there should be plenty of play frocks—the kind that will resist the ravages of the laundry and constant wear. Neatly made of practical Gingham and Chambray, here are frocks that are smart, pretty in color and very moderately priced. Sizes 2 to 6 years.

Her Ubiquitous Husband.

Men are a classless lot. At any rate, that's what one woman thinks, and with very good reason. One evening Brown had motor trouble on a lonely spot on the road where he found it impossible to reach a telephone to notify his wife. As the hour drew towards midnight that lady became very anxious, and finally she telegraphed to five of her husband's friends: "George hasn't come home yet. Am worried. Is he spending the night with you?"

Meanwhile Brown had managed to get his motor going and a little after twelve he arrived home. Then came the answers to the telegrams she had sent. In effect, all five answers were the same: "Yes; George is spending the night with me."—Boston Transcript.

The Proper Thing.

"How will you have your new work on orthography bound, sir?"

"Why, I suppose it would be appropriate to have it spellbound, wouldn't it?"—Boston Transcript.

Better Than He Knew.

"Bill has eloped with my wife."

"Why, I thought he was your best friend."

"So he is, but he doesn't know it yet."—Boston Transcript.

Fair to-night and Wednesday; light shifting winds.

TALK OF THE TOWN

A variety of sports, with prizes, at Clan picnic Saturday.—adv.

Just arrived, tricolette in all colors for blouses and waists. Little Dry Goods store, Cottage street, off Main street.

The Philatelic class of the Congregational church will serve ice cream on the church lawn during the band concert Wednesday evening.—adv.

Barre post, No. 10, American Legion, cordially invites you to their dance in Howland hall Friday night, July 30. Carroll's orchestra has been engaged.—adv.

Gage & Gage's office will close at noon Wednesday, July 28, for two weeks. Office hours on that date are: Barre, 9 to 10 a. m.; Montpelier, 10 to 11 a. m. Notice will be given in two weeks when the regular hours will begin.—adv.

A Weaver tire changer, the only one in town at the present moment, is being installed in James J. Hastings' vulcanizing shop on North Main street. The machine is designed to simplify the changing of tires, and is expected to save considerable time.

Charles Arnholm of the Palace garage left this morning for the province of Quebec to bring back a Winton car belonging to Dr. E. H. Bailey, which was abandoned there last June when a part broke and couldn't be fixed at that time. Only recently the part came, and now the car is waiting to be driven back.

A young couple from Massachusetts arrived in Barre this morning at an extremely early hour, bound for points south, and having proceeded as far as Depot square, stopped, out of gas. The young fellow set out to make a tour of the various garages, but with no success, and it was not until 6 o'clock this morning that any assistance was obtained, and the two could continue on their way.

A very interesting golf match was played over the Meadow Brook Golf club course on Saturday between the home club and the Hardwick Golf club of Hardwick, the result being that Meadow Brook won seven matches and Hardwick one. Although on the losing side, the visitors did very well, as a good many of the matches were not decided until the 18 holes had been played, the home players being more familiar with the course pulling them through.

That George H. Fraser of Barre, now a professional golf player at the Waukegan links in Burlington, is still playing up to the form which he maintained while in Barre is indicated by a statement in the Burlington News of July 26, saying that Fraser "sent a flying all previous records held by Hugh Gordon, formerly the professional at Waukegan." It seems that Fraser made the nine hole course in 34, cutting one off the record made by Gordon and which has stood for four years. Fraser made the 18 holes in 72, cutting two off the record made by Arnold J. Stutz last year. In concluding the announcement of Fraser's performance, the article in the Burlington paper says: "Fraser, who has been at the local links for three years, is probably the most popular professional that has been at Waukegan for some time. His enthusiasm and tireless energy have done much to add to the interest of local people in the links game."

James Hillis of Elm street was still alive this morning, though there was a time yesterday when he wouldn't have been willing to lay a plugged nickel on his chances of ever seeing Barre again. He set off in his car for Diamond mountain, armed with a compass and some berry pails, and finally ran across an extremely promising patch, far in the woods. Leaving his car behind he penetrated into the middle of it, laid compass and coat on a nearby stump, and commenced picking. Almost before he knew it there rose in front of him a mother black bear and two cubs. Whether or not he had picked any of the fur off of them, Hillis did not take time to discover. One leap and he was off through the woods, bearing in his mind the picture of the mother bear busy demolishing very carefully and pleasantly his coat. When he finally came out into the open again he found that he was about seven miles from where he left his car earlier in the day. Having at last found his car, Mr. Hillis lost no time in heading for a more densely populated country.

Special communication of Granite lodge, No. 35, F. and A. M., will be held Wednesday, July 28, at 1:30 p. m. for the purpose of attending the funeral of our late brother, Charles Lindgren. Per order W. M.

The financial secretary of Clan Gordon will be at the rooms on Friday, July 30, to collect dues and assessments. Instead of Saturday, picnic day.

Mrs. George W. Lander of Washington street has returned from Burlington, where she has been spending several days with friends.

Mrs. Erminia Berini of Columbia place, left yesterday for Waterbury, where she will spend her week's vacation from the Eastman store.

Miss Malfada Cattaneo is taking the place of Miss Aurora Susena at the F. D. Ladd Co. store, while the latter is taking a two weeks' vacation.

Miss L. Jean Bisbee, who has been ill at the home of Mrs. Ella Pitkin for several days, resumed her work at the N. D. Phelps Co. store yesterday.

Mrs. D. H. Murray, who has been visiting her mother, Mrs. Amos Merrill, of Camp street, returned to her home in Providence, R. I., this morning.

Mrs. Gladys Goldsberry and son, who for the past four weeks have been visiting relatives in Barre and Montpelier, left to-day for their home in Greenfield, Mass.

For sale: Six-room house at 18 Sheridan street, broadcloth overcoat, tennis racket, wire screening 32 inches wide, two pair velvet portieres. Tel. 207-J. O. K. Hollister.

H. Ziter, Joseph Ziter, Nash Murray, Lewis Romanos and Fred Paquet, who left Barre Saturday night for Portland to drive back some Abbott motor cars, arrived last night.

Albert (anxiously)—"I'm afraid I'll soon be bald; my hair is coming out." E. A. Brown—"hy worry? Use Parisian Sage and I'll guarantee it will stop falling hair or return your money."—Adv.

Mrs. Gertrude J. Holder received word Monday from the general board of foreign missions (Church of the Nazarene) stating that Rev. and Mrs. Charles Jenkins had arrived safely in South Africa.

C. C. Varney and daughter, Mrs. Wesley Hoffman, Helen and Rachel Cutler and Molly Giudici motored to Joe's pond yesterday morning to spend two weeks' vacation.

Cecil Copeland, and his wife and small son, arrived yesterday from White Plains, N. Y., to make their new home in Barre on Upland avenue. They are the guests of Frederick Soule of Park street for a few days until the furnishings for their new house arrive from White Plains.

Mrs. W. A. Bradford of South Main street and Miss Lena Moorecroft of 203 Main street, have gone to Wollaston, Mass., to visit for two weeks with Mrs. Bradford's daughter, Mrs. Harold Mather. Miss Moorecroft is having a vacation from the Homer Fitts drygoods store.

Mary Gordon, the six-year-old daughter of Mr. and Mrs. George Gordon of Barre, died at a Burlington institution Sunday, following an operation for tumor. The body was removed to the funeral parlors of Corbin, Frye & Morin and was brought by motor hearse to the home of her parents in this city.

The Royal Colored Giants of Montreal, one of the fastest baseball aggregations in Canada, play at Intercity park next Friday afternoon the Barre Athletic association's best nine. This colored team has appeared in this vicinity before and most of the baseball fans of this city remember their appearance here about four years ago. Thus far the Giants have won 19 games and lost five, and if possible, another figure will be added to the last mentioned list rather than the first after their contest with the Barre team. The star twirler of these visitors struck out in three consecutive games 56 men.

That's the Question.

MONTPELIER

Peter Crapo, Long-Time Resident, Died at Waterbury.

Peter Crapo died yesterday afternoon at Waterbury, where he had been for treatment, death being due to a hemorrhage of the brain. He was a native of St. Albans Bay, a son of Mr. and Mrs. Peter Crapo, born 74 years ago. With his parents he came to Montpelier 54 years ago, and had lived in the city most of the time since then. He followed the work of a stone mason as long as his health would permit. He is survived by his wife, one daughter, Olena, and one son, Israel, a brother, Israel, and two sisters, Mrs. Israel Gaudre of Andover Center, R. I., and Mrs. Albert Alex of Greenfield, Mass. The funeral will take place at 9 o'clock Thursday morning from St. Augustine's church.

The Kolstad Taylor company of Brattleboro proposes to issue \$75,000 worth of stock, according to its report to the secretary of state. The White Manufacturing company of the same town proposes to issue \$20,000 worth of stock, of which \$17,700 has been paid up. The Monarch Manufacturing company of Bellows Falls proposes to issue \$20,000 of stock, of which 1,240 shares will be in cash.

Miss Fannie Fletcher and Mrs. A. M. Fletcher, her mother, were guests last evening with friends in the city. They were automobiling home from Portland, Me.

Mr. and Mrs. Frank E. Lowe motored to St. Johnsbury to-day.

Mr. and Mrs. William Milo, Jr., and Mr. and Mrs. Robert Doyle are enjoying an outing at the Milo camp on Groton pond.

Adjutant General H. T. Johnson has received notice of the completion of the organization of Co. I, National Guard, in Brattleboro, and the company has been accepted in federal service. There was a little delay about the latter owing to the fact that a place for storage of equipment had not been obtained.

The adjutant general has commissioned Dr. William Grinnell of Rutland as captain in the medical corps and J. Benjamin Hannan of Bennington as captain in the quartermaster's corps. Captain Hannan was a few days since discharged from the army, after two and one-half years' service.

J. B. Detwiler, who has charge of the campaign against the white pine blight in the country, has been in conference with John Riley, Jr., of the state forest service. They have planned to try spraying of the current and gooseberry bushes in the swamps in Sharon for elimination of the rabies. Chemicals will be used. It is possible that an expert from Washington, D. C., will come to look after the work. Prof. L. D. Young of the University of Michigan and Dr. Cooper, who like Professor Young is making a study of the rust, are in the state at present looking over the work which has been done in Vermont.

Inspectors Edwards, Higgins and Pierce of the state automobile department were in Richmond Saturday and Sunday and Saturday evening they stopped 71 automobiles that had on glare lights, causing them to make changes in lenses of the lights. Of that number, 58 made changes that evening and returned to the inspectors reporting their change.

R. B. Jones of Montpelier has made a report to the automobile department of his accident Sunday evening when his machine and that of H. R. Hood collided. W. A. Dutton of Hardwick has reported that while his daughter, Alice, was driving the machine in Cabot, two children, riding large horses, were met and that one of the horses pranced around and bucked against the mudguard of the automobile. George O. Stoker of Waitsfield has reported that his machine collided with a team driven by Roy Wilder. W. F. and M. D. Davis of Waterbury have reported that their machine collided with another in Wolcott, but they did not get the name of the driver of the other machine. J. L. S. Varney of Roxbury reported backing over a bank on a slippery road. A. B. Evans of Randolph ran over a dog. George Wallis' car and the truck of G. A. Goodale of Warren collided recently. George Hatch of Barre has made a telephone report of an accident.

New Triplex Springs Help
Overland 4 Break Record

In the great endurance test recently at Indianapolis an Overland 4 stock car covered an average of more than 778 miles each day for 7 days.

The success of this severe test is another proof of the quality of material in the Overland 4, and the protection afforded the chassis by the Triplex Springs.

Commissioner of Agriculture E. S. Brigham was unable to fill a speaking engagement in Randolph Monday, owing to a slight attack of grip.

Mrs. P. C. Corwin of Burlington, who was injured in the automobile accident at Richmond Sunday, is a sister of Frederick D. Dower of Montpelier, who did not know of the accident until John Hart, who returned from Richmond, told him about it in the evening.

Mrs. Jessie Watkins, who has been ill since Friday with tonsillitis, is feeling better.

Judge G. M. Powers and daughter of Morrisville were guests at the Pavilion hotel yesterday afternoon.

Miss Ruth Gordon, who has been visiting her mother and brother, left last evening for Boston to resume her duties as secretary in the far east campaign.

Mr. and Mrs. J. G. Frattini, Mr. and Mrs. L. C. Stone and Miss Margaret Stone have returned from Highgate Springs, where they enjoyed an outing.

Harry A. Black, secretary of State, stated last evening that his department had not solved the problem relative to the accident that took place last Friday at the three-mile bridge railroad crossing. Edward Higgins, one of the inspectors, was at the site, after the accident took place, and it appears now that Rev. P. R. Gauthier of Highgate has written the secretary of state, making exceptions to the story of his being in the machine. The records, stated Mr. Black, show that the car was registered in his name, but it is probable that he sold the machine and that the report of the transfer had not been made to the secretary of state's office.

Dr. C. H. Burr, district health officer, and C. P. Mont of the state laboratory, went over the Montpelier, Northfield and Barre water supplies with the water commissioners of the respective places Monday. Mr. Mont recommends

that a filtering plant be installed at Montpelier or that a by-pass, which would mean a large amount of expense, be installed between the pond and reservoir. A general survey of the Berin pond and tributaries was made. It is the annual inspection of these water sources.

"I'll test you," a friend picked him up quickly. "I'll dictate a paragraph to you."

With an assured air the boaster seized his pencil, but his jaw dropped as he heard:

"As Hugh Hughes was hewing a yule log from a yew tree a man dressed in clothes of a dark hue came up to Hugh and said: 'Have you seen my ewes?'"

"If you will wait until I hew this yew tree I will go with you anywhere in Europe to look for your ewes," said Hugh.—New Orleans Times-Picayune.
